

PERMUTATION STUDY #13

UPDATED FROM FUTURE SOUNDS

DAVID GARIBALDI

♩ = ♩

PERMUTATIONS

* ADD A NOTE (GOES TO THE NEXT PERMUTATION)

The notation is organized into seven sections, labeled ① through ⑦, representing different permutations. Each section contains a series of measures. Within each measure, strokes are indicated by arrows pointing up, down, or to the side, and X's on the staff. Note heads include circles, squares, and dots, with some having '+' or '-' symbols above them. Rests are also present. Vertical bar lines and repeat signs separate measures. An asterisk (*) at the end of each section indicates where to add a note to proceed to the next permutation.
